In August 1971 Steve Bingham was falsely accused of smuggling a gun into San Quentin prison that allegedly resulted in a prison riot that left six people dead, including George Jackson, member of the Black Panther Party. Bingham's presentation will be at 4 pm. Admission will be free. However, donations in aid of **Gaza's Ark** <http://www.gazaark.org/> and **Freedom Stitches** <http://www.freedomstitchers.org/> will be much appreciated.
